Utah State University
Logan, Utah

Abstract Submission Deadline: February 12, 2019
General Registration Deadline: March 15, 2019

Air Quality: Science for Solutions is holding a full-day conference emphasizing scientific progress in the understanding of Utah's complicated and unique air quality issues. This is the third of an annual conference series organized by Utah State University, Weber State University, the University of Utah, Brigham Young University, and the Utah Division of Air Quality.

Abstracts are now being accepted for both, oral and poster presentations. Oral presentations will be 15 minutes in length followed by a five-minute question/answer period.

Student poster contest with prizes!

Topics may include, but are not limited to:

- **Air Pollution Chemistry and Measurements**
- **Regional Photochemical Modeling**
- **Meteorological Modeling and Great Salt Lake Studies**
- **Air Quality and Public Health Impacts**
- **Air Quality and Regional Climate Change**
- **Emissions Studies and Analysis**
- **Policy, Industry, and Economic Impacts**

Thanks to the generosity of our sponsors, **registration is only \$10.**
