

## **SAVE THE DATE! More details to come.**

The 7<sup>th</sup> annual **Air Quality: Science for Solutions conference** will be held **at the Utah Division of Air Quality** on **Thursday, March 30<sup>th</sup>, 2023**.  
Details at: <https://AirQualityScience.org>

The Air Quality: Science for Solutions conference emphasizes scientific progress in understanding the complicated and unique air quality issues that exist in Utah and the Intermountain West. This annual conference series organized by Utah State University, Weber State University, the University of Utah, Brigham Young University, and the Utah Division of Air Quality.

Presentation topics may include, but are not limited to:

- Atmospheric chemistry and physics
- Health impacts
- Meteorology
- Emissions sources and inventories
- Atmospheric modeling
- Public policy
- Monitoring and measurements
- Indoor air quality

Information regarding abstract submission and registration will be provided soon.

We look forward to seeing you at Air Quality: Science for Solutions 7!
